### Adelaide Venue Management (AVM) Conditions of Entry

AVM manages and operates the ACC. The AVM Conditions of Entry apply to the ACC, and are to be read in conjunction with the ACC Conditions of Entry.

AVM's venues are places of mass gathering whereby the transmission of viral illnesses (e.g. COVID-19) and other diseases that may have serious impacts on personal health, including death, is of elevated risk. Any person attending an AVM venue accepts that risk, and also accepts that risk on behalf of any accompanying minor/s.
